**MOTION FOR CONTINUANCE**

Plaintiffs Steven G. Millett and Melody J. Millett (APlaintiffs@), for their Motion for Continuance, state as follows:

1. Plaintiffs filed their Motion for Class Certification in this action on August 10, 2007.

This Court has not yet ruled on that Motion.

2. On September 10, 2007, Plaintiffs filed their appeal from an order denying their attempt to intervene in the action designated Townes v. Transunion LLC, et al, 1:04-cv-01488-JJF ("Townes Appeal").

3. Plaintiffs filed their initial brief in the Townes Appeal on January 16, 2008.

4. The outcome of the Townes Appeal may affect this Court's determination as to certification in this action and, depending upon this Court's determination regarding certification, may also affect the manner in which this case is tried.

5. Trial in this action is currently set for March 24, 2008.

6. In light of the normal time line for appeals under the Federal Rules of Appellate

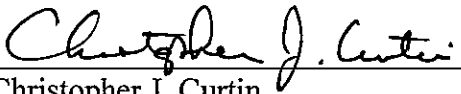

Procedure, and the normal course of appeals in the Third Circuit, it appears that a decision in the Townes Appeal will not be issued prior to March 24, 2008.

7. Given that the decision in the Townes Appeal bears upon the issue of certification in this action and may impact the manner of trial in this action, and given that a decision in the Townes Appeal will not be issued prior to the current trial date in this action, Plaintiffs contend that it would be appropriate for this Court to stay certification proceedings and to continue the trial date in this action until such time as the Third Circuit issues its decision in the Townes Appeal.

8. Pursuant to Local Rule 7.1.1, Plaintiffs have conferred with counsel for the opposing party regarding the matters set forth in this Motion and the parties were unable to reach agreement regarding the matters set forth in this Motion.

9. For all of the foregoing reasons, Plaintiffs respectfully request that this Court grant Plaintiffs' Motion for Continuance and issue an Order staying certification proceedings and continuing the trial date in this action until such time as the Third Circuit issues its decision in the Townes Appeal.

Respectfully submitted,
